

**North Branch Works** is the leading economic development organization along the North Branch of the Chicago River. We service the North Branch, Addison, and Kennedy Industrial Corridors, working as a delegate agency of the City of Chicago with local businesses to provide economic development and employment services resulting in business retention and job growth.

For over 30 years, our local expertise and deep relationships have helped promote economic development linked to workforce development and job creation. NBW emphasizes new growth, proper land use and area revitalization through its business advocacy and innovative solutions.

Our commitment is to retain and expand businesses by providing an array of services such as financial incentives, infrastructure assistance, and local connections with like-minded business owners.
