

PROJECT: CHICAGO AVENUE RIVER BRIDGE & CHICAGO AVENUE / HALSTED STREET VIADUCT

Public Information Meeting:

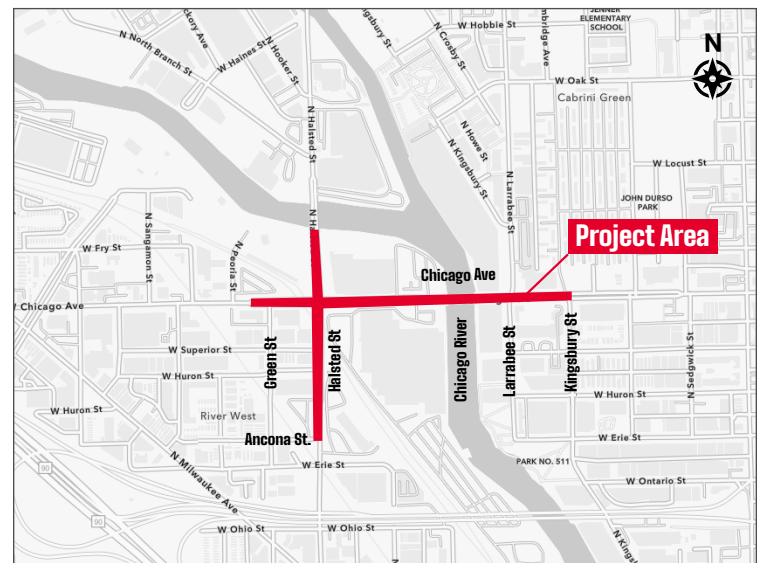

The Chicago Avenue River Bridge and Chicago Avenue / Halsted Street Viaduct project includes the construction of a new bridge to replace the temporary bridge at the North Branch of the Chicago River, and reconstruction of the roadway and viaduct west of the River at Chicago Avenue and Halsted Street. The project is currently in the design phase, and the preliminary design was presented publicly on January 23, 2024. Feedback from stakeholders was reviewed and the final design to be shown in June includes revised pedestrian, bicycle, and transit elements.
